

Scamblesby News

2025/26 Edition 1

Friday 19th September

Welcome to the first addition of our new weekly newsletter Scamblesby News. This will be coming out every Friday and will contain lots of useful information to support families in getting the very best out of school life. As well as providing key dates of events and activities in school we will also provide important updates for wider school issues such as, Attendance, Curriculum, Enrichment plus much more. We'll also make it nice and child friendly and add some pictures. Whilst in the long term we are committed to providing all correspondence electronically through our Management Information System, Arbor, for the Autumn Term we will send emails **and** provide hard copies. This will enable us to fully ensure the details held on Arbor are all up to date.

Start of school/Communication

A reminder that our school current school day starts at 9:00am. To help with transition during the morning we will be opening the gate at 8:45am from next Monday – children can go straight to class from this time. This enables an extended period of time for the children to calmly make their way to their classrooms (and start learning) so all our lessons can start promptly at 9am. In most instances a staff member from Robins and Kestrels class will be at the gate available in the morning for quick messages. Please note the gate will be closed at 9am and school staff are required in lessons for this time. Should you wish to have an extended conversation with a member of staff you may need to make an appointment at the school office. We are committed to improving communication streams and feel this can be a helpful way of passing on quick messages. It should also ease the congestion a little at the start of the day.

Feedback

We are very aware that the school is going through a transitional period at the moment as we adapt to recent changes to school structure. With that in mind we want to ensure we seek out parental feedback in a constructive and measured way. Should any parents wish to make an appointment to speak with Mr Floyd this welcomed and encouraged. Mr Floyd is willing to meet individually with parents or as a small group if that is preferred. Please call the school office to arrange an appointment. Please bear in mind Mr Floyd is only in school for a full day on Tuesdays and Thursdays so any meeting ideally will need to be on one of these days.

Celebration Services

Following discussions amongst school staff we have decided to make small changes to our Celebration Services at St Martin's Church. These will now take place towards the end of each term with dates communicated well in advance. Our provisional dates for the Autumn term are listed on the Diary Dates below.

These will be revamped and led by Mr Floyd, alongside the class teachers. They will be a wonderful way to bring the term to a close and celebrate and showcase the wonderful children of our school. They will begin at 9:30am and all families are welcome. Further information will follow about this in due course. We want to make this a real high quality celebration of all things Scamblesby.

Diary Dates
