2025/26 Edition 3

Friday 3rd October

Well don't the weeks fly by, it is October already! School has been as busy as ever and the children have been working hard. Each week we are going to showcase some children who have been working hard and impressing us all. This week 2 children from Robins class have stood out for some super Maths and English work. Well done – we are looking out for some more stars next week...maybe from Kestrels class.

Annual Flu Immunisation

We are being visited by the Lincolnshire Health Team on **Wednesday 8th October** to carry out Flu Immunisations. All families should have received a letter informing them of the process and only children who have parental consent will be immunised. This is in the form of a Nasal Spray. If you have misplaced your information letter and require another one, please speak with the school office. On the day the Lincolnshire Health Team will have their own list of children who have the appropriate consent and we will help facilitate this.

Wraparound Care

All families should have received a letter yesterday concerning the wraparound care provided before and after school by Piggywigs. In order to protect this service, we do need all families who use that service to follow the correct routines and protocols. Our role is merely to escort children to and from the service. Any further questions regarding wraparound care provided should be addressed directly with Piggywigs.

Attendance/Term Time Leave

Over the Autumn Term School Leaders and the Governors will be reviewing the Whole School Attendance Policy. This will ensure the school follows the statutory DfE Guidance – Working Together to Improve School Attendance

<https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

Please note this guidance is clear that Fixed Penalty Notices are issued for unauthorised absences for family holidays. Once the new policy is in place we will inform families and revise the Leave of Absence Forms to reflect this.
