

Scamblesby News

2025/26 Edition 4

Friday 10th October

The children continue to work hard and play hard as another busy week at school comes to a close. We will continue to showcase our children each week and this week it is the turn of Kestrels who have shared some photos of them in action this week!

Healthy Snacks

All schools are required to follow the School Food Standards which can be found here.

<https://www.gov.uk/government/publications/school-food-standards-resources-for-schools/school-food-standards-practical-guide>

One area of concern at the moment is the snacks the children are having at breaktime. In some instances, children are bringing multiple crisps and chocolate bars. This is just not appropriate and is not good for a learning mindset. Please can we ask all families to consider the snacks they are sending in with the children and possibly explore healthier options. We understand children's dietary needs and preferences but we have a duty to promote healthy living. Hopefully we can do this by working in partnership with families without the need to introduce specific rules which can become unwieldy. Thank you for your support with this.

Parent Consultations

Just a reminder that it is our Parent Consultations next week (14th/15th October). All families should now have received an appointment time if one was requested. If you are yet to make an appointment or have not received your appointment time, please contact the school office. Please note all appointments are strict 10 minute slots to enable us to fit all our families in over the 2 nights. You are welcome to include your children in the meeting if you wish – whilst that can limit the conversation we believe that is a parental decision.

Friends of Scamblesby School

This week Mr Floyd met with an enthusiastic group of parents looking to relaunch the 'Friends of Scamblesby School' to promote school fundraising opportunities and also look to enhance the enrichment opportunities available to the children. Initially this will comprise of a small selection of events over the year with a real focus on giving the children experiences and opportunities. The first event is going to be an Autumn themed disco after half term – more details to follow next week but provisionally save the date of Friday 7th November at 6pm. There is an active parent-run Facebook page that may be useful if you have any ideas to share or if you would like to offer any help and support to these events moving forward. We will be working alongside the Friends of Scamblesby School using our school newsletter to promote these events and aid communication streams.

Termly Celebration Assembly

Just a reminder that this terms celebration assembly will be taking place on Wednesday 22nd October at St Martin's Church. Some elements of this will be similar to previous celebration events but we are introducing lots of new certificates and awards. Please come and join us as we want to showcase as many children as possible – all celebration assemblies are due to start at 9:30am.

Diary Dates

Please see the following dates we currently have in our school calendar for the Autumn Term. These will be updated each week when new dates are added. Further information will follow for all events through the weekly newsletter giving families sufficient time to plan effectively.
