

Scamblesby News

2025/26 Edition 5

Friday 17th October

As we come to the end of our final full week of this half term we continue to be so proud of all our children. Please enjoy the small gallery below of Robins Class working hard and enjoying their learning. A reminder that the children break up on Thursday 23rd October and return to school on Monday 3rd November.

Parent Consultations

Thank you to all families who attended our Parent Consultations this week. It was lovely to see so many families in school and it was fantastic to have so many positive discussions about the children. We are very grateful for the support all families give to their children and our school. We also take on board any feedback and suggestions. If you have any concerns about your child's schooling, please do not wait until Parent Consultations. Please either speak with your child's class teacher briefly before or after school or for a longer discussion please make an appointment at our school office.

Termly Celebration Assembly

We are all looking forward to this terms celebration assembly which will be taking place on Wednesday 22nd October at St Martin's Church. We are going to try a few new things and give out lots of certificates. Mr Luff has also organised for some children from Kestrels Class to present some Harvest Readings. As with anything new and different it may not be as slick as we would like but hopefully we can make these assemblies something special and a real celebration of our children. Our Celebration Assembly starts at 9:30am and hopefully we will see many of you there.

Friends of Scamblesby School – Autumn Disco (at Belchford Village Hall)

Please keep an eye in bags this week as your child will have come home with a flier for the Autumn (Halloween) Disco being organised by the Friends of Scamblesby School. Posters are also displayed around school. Tickets are available from our school office and we will pass on all funds directly to the 'Friends of'. Please bear in mind whilst we are fully supporting this event and we do all we can to help, it is not being run by school. Please direct any event specific questions to the 'Friends of' either in person or through their Facebook page. We would like to take this opportunity to thank all those organising this event – we know the children will have an amazing time. We have already spoken with the 'Friends of' and they have some exciting ways in which they can support the children of our school.

Robins Class - Toys

The current arrangement is that children in Robins Class can bring small toys in to school on a Friday. Whilst the children enjoy this it is important that these are only brought in on a Friday. Please ensure your child sticks with this as if toys are brought in on other days we will have to confiscate them – this can then cause upset. Hopefully by everyone adhering to this we can keep this opportunity available for the children.

Leave of Absence Forms

Please can all families ensure they complete a 'Leave of Absence Form' prior to any (non-medical) absences from school. These can be collected from the school office. Please note all DfE and LCC local guidance makes clear that holidays during term time are not considered 'exceptional circumstances'. As previously mentioned we are in the process of reviewing our Whole School Attendance Policy but in the meantime we will be using the current forms as referenced above.

Diary Dates

Please see the following dates we currently have in our school calendar for the Autumn Term. These will be updated each week when new dates are added. Further information will follow for all events through the weekly newsletter giving families sufficient time to plan effectively.
