“Scamblesby Church of England Primary School is living up to its foundation as a Church school and is enabling pupils and adults to flourish.”

November 2025

Dear Families,

You are receiving this letter as your child is due to start school in September 2026. As you are making this important choice in the life of your family we hope you are considering Scamblesby CE Primary School.

Scamblesby CE Primary School is a small and friendly village school on the outskirts of Louth. Our school was graded securely “Good” by Ofsted in March 2024 and received an excellent report from The National Society in our most recent Church School inspection, only last year. We have an experienced and caring staff team in place. Our small and friendly setting enables staff to have a deep understanding of each and every child - in living out our Christian vision we will do all we can to give every child the opportunity to flourish. Relationships with families is really important to us and we value the positive feedback we get...

‘The school has been very supportive for both my child and me as a parent. I feel that they treat each child as an individual, focusing on their holistic development, which is made easier by the small school setting. Since my son started here, he has made so much progress in his academic, social, and emotional growth.’

In order for you to make an informed decision I would encourage you to make an appointment to come for a look round and meet us all. We do not have formal “Open Days” as we prefer a more personal approach. Myself, or Mrs Fenwick, our Senior teacher are more than happy to personally show you around our school and give you the opportunity to ask any questions bespoke to the needs of your child and your family. If you wish to make an appointment, please call the school office.

All applications for school places are made online through Lincolnshire County Council School Admissions and the window for applying opens on 17th November 2025, closing on 15th January 2026.

Thank you for taking the time to read this letter. Our school website

<https://www.scamblesby.lincs.sch.uk/index.html> contains lots of information about our school. We are small but we have fun and we really care. Please take the time to come and meet us and we look forward to seeing you and your family.

Yours sincerely

Paul Floyd
