

Scamblesby News

2025/26 Edition 11

Friday 5th December

Festive Fun

We are all getting in the Christmas spirit at school and some very helpful Scamblesby elves have been decorating our Christmas Tree. Thanks again to Bob's Christmas Trees for generously donating a tree to school. It is fantastic to have such great support for the school from our local community. We have lots of exciting activities planned for the last 2 weeks of term from Christmas Nativities to Celebration Assemblies with a Christingle Walk, a visit from Santa and a trip to the Pantomime sprinkled in. Thank you to all families for your continued support.

Christmas Nativity

The children are putting the finishing touches on their Christmas Nativity – The Magical Christmas Jigsaw. As a final reminder, the children will be performing this at St Martin's Church on Tuesday 9th December and the performance will start at 10am. Families are welcome to join us. Please can we ask all families meet us at church to allow us walk the children ourselves. This helps our organisational and safeguarding requirements.

Christingle Walk

All families should have received a letter this week from the 'Friends of Scamblesby School' sharing the exciting details of the upcoming Christingle Walk on Monday 15th December. It is imperative that return slips come back to school by next Thursday so we can finalise numbers and ensure our adult/child ratios are suitable. If you are yet to receive a letter, please speak with the school office. We are all looking forward to this exciting new community event.
