

Scamblesby News

2025/26 Edition 13

Friday 16th January

New Year/New Term/Same Amazing Children

We are all really busy at school getting immersed in our new learning and topics for this term. The Spring term is often a little shorter and a calmer, more structured term following the excitement of Christmas. The children have come back eager and ready to learn, as always, we are proud of each and every one of them. This week we are showcasing Kestrels and the exciting topic work they have been learning this week! We will catch up with Robins next week!

Scamblesby News – Electronic communication only

We will continue to send out our weekly newsletter 'Scamblesby News' every Friday. However, please note from next week this will be by email only. If you are not receiving emails from school, please check with the school office. We have email addresses on file for all families but we have had a small number of families who were not receiving emails due to administrative factors. We can resolve this really easily if you come and talk to us! Scamblesby News will also go on the website every Friday. To request a hard copy please speak with the school office.

Diary Dates

Please see below a few Diary Dates for the Spring term. These are what we already have in the diary and we will add to these over the course of the term. Hopefully this ensures all our families are well informed and have as much notice as possible to prepare children for changes to routine and make arrangements to attend whole school events.
