2025/26 Edition 17

Friday 13th February

Celebration Worship

It was wonderful to bring the term to a close yesterday with our Celebration Worship at St Martin's Church. It was lovely to hear the children sing so enthusiastically and lots of children received certificates celebrating both achievement in class alongside the embodying of our Whole School Values. Thank you to our Kestrels who shared their amazing Robots too. Photos from the service are now on our school website – you can find them in the 'Children' section. We break up at 3:30pm today. For those that are going to the Valentines Disco tonight we hope you have a fantastic time and we wish everyone an enjoyable half term holiday. The children are back at school on Monday 23rd February.

School Swimming

Please note we have now booked our school swimming for this year. This will take place in Term 6 and Kestrel Class will be swimming. This will take place on a Friday starting on Friday 5th June. We will inform families with more detail nearer the time – we just wanted to let families know nice and early that we have this in the diary. Moving forward it is expected that children in Kestrel Class will swim each year for a termly block meaning that all children have 4 termly blocks of swimming during their time at our school. This exceeds the national expectations for Primary School children.

Parents Evening

We have now set the date for next terms Parents Evenings. These will follow the usual format and take place on **Monday 23rd and Tuesday 24th March**. Full details to follow after half term.
