2025/26 Edition 19

Friday 6th March

An exciting week...

Well, it has been a super exciting week in school with lots of fun activities happening in school. On Wednesday we were visited by Tractors into School and the children were so excited to see the Tractor roll up and get a chance to get up close to these fascinating machines. Thank you to the team at Tractors into School for making this possible. This was closely followed by World Book Day on Thursday where we had a brilliant day in school celebrating books and reading. Well done to everyone who dressed up and thank you, as always, to all our families for supporting your children and getting into the spirit of the day!

Please make sure you check Tapestry as there are lots of photos on there. All families should have a login but if yours is not working, or you have recently joined us, please speak with our School Office or your child's class teacher. It is a great way to keep an eye on what is happening in school.

Mother's Day Breakfast

Friday 13th March sees our first "Friends of Scamblesby School" Mother's Day breakfast. This is a free event that is being funded by the "Friends of Scamblesby School" however each adult will need a ticket, from the school office, to enable numbers for catering.

Tickets are now available from the school office and you have until Wednesday 11th March to grab yours... so please do be quick!

All children are welcome to invite someone special in their life that they would like to celebrate with. The children will be making, and then enjoying, a breakfast with the adult of their choice. Pastries, fruit, and juice will be on offer. Thank you once again to our 'Friends of' who continue to give their own time to plan and organise these events for our school community. This will be another great event for the school so please do support this if you can.

Breakfast will be served in timed slots from **9am until 9:55am**.

Parents Evening - Reminder

A reminder to save the date for this terms Parents Evenings. These will follow the usual format and take place on **Monday 23rd and Tuesday 24th March**. Full details to follow shortly.
