2025/26 Edition 21

Friday 20th March

Easter is coming...

As we move into the final 2 weeks of term a reminder that we break up for the Easter Holidays on Thursday 2nd April. School will end at 2pm on this day as has been the traditional finish time at the end of each 'big' term. Next year we are going to consider if this is necessary – so, if you have any feedback regarding this please inform our school office. We still have plenty to fit in and next week we will be welcoming families to our Parents Evenings on Monday and Tuesday – if you are yet to make an appointment please contact our school office. We also end the term with our Celebration Service at St Martin's Church. All families are welcome as we showcase and celebrate our children. This service starts at 9:30am and usually lasts about 30 minutes. We look forward to seeing lots of you there.

School Field

We know how much the children enjoy using our school field and after numerous challenges over the past year, we are delighted to inform you that the essential work on the field has been completed, and our field is safe and ready to go. Robins and Kestrels have both spent time up on the field during lunchtime and it is great that we can maximise this resource. Our Outside Trail does require some maintenance work following a recent safety check and we have authorised this work to be completed as soon as possible. Hopefully we can have a great summer with the children enjoying the field to it's full capacity as much as possible.

Play Equipment

We have recently invested in lots of new play equipment that the children can use at break and lunch times. This has really improved the quality of break times and the children have responded really positively. It is great to see all our children enjoying their break times, having fun and being active.

Friends of Scamblesby School
